⚡ **President's Report**

The club commenced ended the season with 39 members. Unfortunately we will lose the following members:-

- David & Kay now live in Stirling just a few minutes from The Peak so that ice rink is much more convenient for both of them. I hope both will remain as reserves and I thank them both for the contribution they have made to the establishment of the club.
- David & Chris Jones have moved North to the idyllic little hamlet of Kettins. David was instrumental in bringing many of you into the club and getting our numbers up from a handful to a viable organisation.
- Judith McFarlane, although not a full playing member, now lives in Stirling and has decided to concentrate her curling at the Peak just like David & Kay. Judith was extremely supportive of the club in many little

ways.

- Stuart Brand is not certain of his commitments just yet but I am hoping he can make room for our club.

I am sure you will join with me and express your appreciation for the support these members have shown the club.

Once again we had a bit of a fixture glitch at the start of the season when a number of members resigned after the fixture list was issued – causing multiple amendments to the fixture list. I apologise for the subsequent confusion and I thank Paul Dean for helping me organise the re-arranged fixture list. I would say though that if anyone does not intend to play next season, I really need to know as soon as possible.

Our club league was dominated by Team Adams and Team Soutar who swept all before them to amass 20 points each with Team Adams pipping Team Soutar on ends won and shots scored. Team Adams scored an astonishing 113 shots and 56 ends on the way to winning the league.

The club also participated in the Province's Festive Potty (Team Boyes) at Christmas and the Province Bonspiel (Team Dean). Our friendly against Fossoway Ladies was cancelled on the day as our opposition were all snowed in.

In the Green Hotel League, myself, Brian Boyes, Elinor Ritchie and Alison Soutar played under the Loch Leven banner in Division 1. We had a perfectly balanced season by winning three games, drawing one and losing three in that order!

Loch Leven Curling Club
Treasurers Report for Season 2012/2013

I would like to start by asking if everyone has a copy of the **Year to 30th April 2012** accounts and the Projected Accounts **Year to 30th April 2013** that were forwarded by email last week.

(If not then offer to hand out spare copies)

I would like to remind you that the Loch Leven Curling Club constitution states that the financial year of the club is to the 30th April.

I hope that the accounts are fairly self explanatory. I do not propose to go through each item in the accounts, however I will just like to outline a few points of note.

As you will see from the audited accounts the closing balance as at 30th April 2012 is £438.85.

For this year I have again projected the accounts forward to the 30th April 2013 which gives a healthy closing balance of £1,010.92.

Finally, I would like to take this opportunity to thank Bill Linton for auditing the accounts.

That concludes the Treasurers Report
Brian Boyes, Treasurer.

Are there any questions ??
